

## Earth Bonding Plug

Standard plug to connect ESD floor or bench mats to earth

- An ideal solution to connect bench and floor mats to ground to avoid injury to personnel and damage to components.
- Works well with the anti-static wristband for personnel.
- Neutral and mains voltage pins are made from plastic, whilst the earth pin is metal for guaranteed safety.
- UK and EU versions available.
- Does not have a resistor as this is integrated with the grounding wire.

### Parts

| Part Number | Size                  | Colour | Weight (kg) |
|-------------|-----------------------|--------|-------------|
| HR000009    | One size - UK version |        | 0.05        |

### Technical Specifications

|                                 |                                      |
|---------------------------------|--------------------------------------|
| <b>Environmental Resistance</b> | Suitable for dry indoor environments |
| <b>COO (Country of Origin)</b>  | UK                                   |
