

PRODUCT SPECIFICATION SHEET

Armco Fishtail Safety Ends

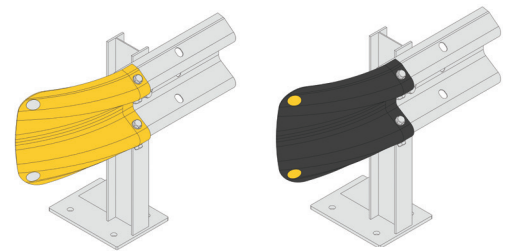

Features and Benefits

- Polymer moulded fishtail safety ends
- Highly visible for HGV drivers, forklift operators and car owners
- Provides a safe and visual termination to Armco rails
- Flexible under impact – offers low to zero damage to vehicles
- Supplied in Yellow or Black, with diamond grade reflectors
- Retrofit compatibility with all Armco terminals
- Fixing bolts included

These flexible Polymer Fishtail Safety Ends are highly visible and will stand out for your HGV drivers, forklift operators and car owners.

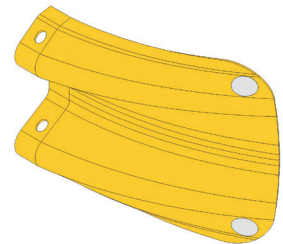

They are simple and quick to install and have a retrofit compatibility with all steel Armco terminals.

The Yellow or Black colours contrast against the steel of the barriers, together with diamond grade reflectors, to not only offer an aesthetic look but also help from a safety aspect.
