

PRODUCT SPECIFICATION SHEET

Floor Level Barriers

Colourfast Yellow & Grey

Hi Vis Yellow & Blue

Grey

Features and Benefits

- Floor level barriers manufactured from ballistics grade materials
- Provides subtle protection at low levels
- Ideal for placing behind bays
- Available in 2 sizes - 800mm or 1200mm
- High visibility colour clearly gives safe working boundaries for MHE drivers

These floor level barriers are ideal for providing subtle protection at low levels from order pickers, with minimal space intrusion in the warehouse.

Manufactured from ballistics grade materials and fixed to the floor, these barriers are strong and durable enough to take knocks and bumps from MHE drivers. They are ideal for placing behind bays to prevent pallets being hit against walls or racking.

Available in 2 size widths - 800mm or 1200mm.

The barriers are available in a range of striking colours, making them highly visible.

Fully recyclable, non-toxic and fade resistant. Suitable for use in food production facilities and freezer environments.
