

Interflex Style

Short Description

Interflex Style is a durable, impact resistant, slatted duckboard mat with a unique cross-ribbed design for extra barefoot comfort. Constructed from a high-grade unplasticized PVC, Interflex Style is resistant to bacterial and fungal growth. The matting has a free draining surface which makes it ideal for wet areas, such as pools, baths and saunas. The top profiles are organised across the walking direction to give additional comfort and stability.
