Hanging Pockets

Features and Benefits

- Information pockets manufactured in tough plastic
- Unique hooked header design
- Two sizes available - A4 or A5
- Available from stock

Our premium hanging pockets feature a unique hooked header, designed to hang and grip onto the edge of an industrial wooden case or plastic crate.

This pocket offers a dual function, to either store documents linked to the case or to provide identification where a conventional label will not adhere to a wooden or textured surface.

The hanging pocket is also suitable for trolleys, stillages, pallet converters and many more items that have a hanging rail of up to 25mm maximum thickness.
