

# PRODUCT SPECIFICATION SHEET

**racksack®**

Warehouse Recycling

## Catalogue Text

- Hard wearing and re-usable
- Easy collection and segregation of waste
- Easy to fix, easy to remove
- Range of colour coded designs or printed with company names/logos

Made from tough waterproof polyester, the racksack can adequately withstand the rigours of an industrial environment. Three strong handles are woven into the edge of the sack, one on each side for carrying and one on the base, so the sack can be easily emptied. Available in either blue or green and 14 text or 5 symbol only design options. Racksacks are supplied with 2 steel S hooks for fixing.

Capacity of the Racksack is 160 litres.

Weight capacity using “S hooks” is up to 25Kg.

## Material Specification

Main Body 420D polyester oxford fabric impregnated with PVC to provide weather resistance

Polyester: Yellow handles/straps are weaved in polyester yarn

S Hook: Stainless Steel ‘S’ Hook PG 4.65mm x 115mm
