

PRODUCT SPECIFICATION SHEET

Waterproof Gaffer Tape

Catalogue Text

- Multi-purpose and waterproof
- Adheres perfectly to any surface
- Ideal for outdoor use
- Easy to use and tear
- 50mm wide x 33M long
- Available in yellow/black

This tough and durable multi-purpose waterproof gaffer tape with polyethylene backing and hot melt adhesive adheres perfectly to any surface, eg. carpet, stone, cement, wood, plastic etc.

This tape is waterproof and is resistant to low temperatures which makes it ideal for outdoor use. It's easy to use and can be manually torn in both directions.

Available in yellow/black and is 50mm wide x 33M long.

Ideal for floor marking and to highlight hazards or restricted areas. This waterproof gaffer tape can also be used to mark stairways, walkways, workstation or storage areas within stores and warehouses. It is also suitable for repairs, reinforcement, protection and packaging.
