

Sherpascope Telescopic Podium Steps

[Representative image of product]

Product Description

Sherpascope Podium Steps offer multi-height telescopic adjustment with both front and back sections independently extendable making it ideal for use on staircases or sloping ground. The large solid platform is surrounded on three sides by 100mm high toe boards and a full height guardrail and is accessed through a folding gate which completely protects the operator from falls. The unit folds easily for transportation in a vehicle or on a roof rack.

Features

- Rung to rung telescopic height adjustment
- Fully enclosed guardrail provides 360-degree protection
- Adjustable for use on staircases and sloping ground
- Large anti-slip work platform 600 x 420mm
- Fitted with 100mm toe boards
- Twin stabilisers to provide maximum stability
- Compact and easy to transport and store
- Large Ø160mm diameter wheels for ease of movement around site
