

PRODUCT SPECIFICATION SHEET

Pedestrian Barriers - Single Bumper

Colourfast Yellow & Grey

Hi Vis Yellow & Blue

Safety Yellow & Grey

Features and Benefits

- Pedestrian bumper barriers manufactured from a flexible HDPE polymer with a foam diffuser
- The bumpers add extra deflection, strength and safety to pedestrian barriers
- Available in 3 sizes - 1900mm, 3400mm or 4900mm width
- High visibility colour clearly gives safe working boundaries for MHE drivers and pedestrians

Where pedestrians and MHE frequently pass each other, there is no better protection than the pedestrian bumper barriers. Easy to see and durable, they are ideal for warehouse and pedestrian segregation.

Available in single or double barrier bumper options depending on the busyness of your warehouse.

The barriers are available in a range of striking colours, making them highly visible to personnel and vehicles.

Fully recyclable, non-toxic and fade resistant. Suitable for use in food production facilities and freezer environments.
