

Workzone

Short Description

Workzone is a multi-purpose duckboard mat, with a safety anti-slip surface and bevels on 4 sides. The honeycomb structure traps swarf and allows for liquids to disperse quickly, providing a safe working surface. At 13mm thick, the mat is durable yet easy to handle and clean. Available in two materials for different environments:

Black Natural Rubber

- Suitable for heavy duty usage, in dry or wet environments. Not suitable for oil or greasy environments

Red Nitrile Rubber

- Hard wearing nitrile rubber means this product is suitable for oily and greasy environments as well as standard wet and dry areas.
